Thank you for considering membership of the Albion Park Chamber of Commerce Inc. We appreciate your support as it enables the Albion Park businesses, residents and visitors to have an advocacy voice with local, state and federal government departments and agencies.

The goals of the Albion Park Chamber of Commerce are to

- ensure Albion Park business and community needs/issues and our environment are adequately, sensitively and productively handled by Shellharbour City Council.
- To ensure Albion Park has a road system and traffic which enhance the community and business life of the suburb.
- To promote the image of Albion Park as an active, friendly and vibrant place.
- To attract funding to APCC and the Albion Park community.
- To promote tourism opportunities in Albion Park.
- Energise the residents of Albion Park to support this suburb and it's sensible, sensitive and acceptable development

At present Albion Park has no local councilors on Shellharbour City Council. The Chamber has in many ways been a conduit for councilors to tap the feeling in Albion Park and often the Chamber is consulted by Councilors and Council officers to ascertain what is required in Albion Park
